

**Plan International Liberia
Call for Expression of Interest**

Plan International Liberia welcomes "Expression of Interest (EOI)" to implement the Global Fund HIV/AIDS Tuberculosis Grant Cycle7 (GC7) as sub-recipients (SR) from 1 January 2024 to 31 December 2026.

Plan International is an independent development and humanitarian organization that advances children's rights and equality for girls and strives for a just world, working together with children, young people, its supporters and partners. Plan's strategy is to work with vulnerable children - especially girls - so that they can learn, lead, decide and thrive. Within the 2017 to 2022 strategy, the organisation's ambition is to transform the lives of 100 million girls. Child sponsorship and grassroots community work are central to the strategy.

Recently, PIL was awarded the Principal Recipient role for the **Grant Cycle-7**, with a 3-year implementation period – 1 January 2024 to 31 December 2026. The grant budget is approximately US\$44.7 million, the program has an objective of increasing access to HIV prevention programs, and differentiated HIV testing services covering the interventions outlined below, as well as enhanced community level TB care delivery in high disease burden areas. **One SR for one intervention (HIV Community SR 2 and TB Community SR 3).** The SRs will support the program implementation in the areas details in the table below:

Disease Component	Description of Activities	Counties of Implementation
HIV- SR2	<ul style="list-style-type: none"> - Addressing stigma, discrimination and violence - Behaviour change interventions - Community empowerment - Condom and lubricant programming - Pre-exposure prophylaxis - Sexual and reproductive health services; and - Social protection interventions 	<ul style="list-style-type: none"> - Bong - Grand Bassa - Margibi - Nimba
